

OFFICE OF SCHOLARSHIPS & STUDENT FINANCIAL AID

Consent to Release Student Information

Schools are limited by federal law in how FAFSA data can be used. Schools may share a student's FAFSA data with scholarship-granting or tribal organizations only with the student's written consent.

Students may grant the Financial Aid permission to release information to a third party by submitting this consent form. You must identify each individual person/organization to whom you wish to give access to your information. The information will then be made available only if it is specifically requested by the authorized third party and permissible under law.

Please complete the following only if you want another person/organization to have access to information related to your FAFSA and federal, state and/or institutional financial aid awards.

By signing this form, I give permission to the Office of Scholarships & Student Financial Aid at TCU to release information regarding my FAFSA and my financial aid awards to the following individuals and/or organizations listed below. I understand that this authorization will be effective until I revoke it in writing.
